# Empowering People Performance

## THE SUCCESS ATTITUDE

JANICE DAVIES - *the lady with 'nice' in her name* - Attitude Specialist

As a Success Strategist, Janice is an innovative motivational keynote presenter and workshop facilitator, dedicated to personal and professional success.

Her presentations assist people to reach for their potential. She educates about 'feeling positive' in achieving goals they did not realise they could accomplish as they create strategies for taking charge of their lives and performing in their careers.

Janice has been in education for over twenty years, authored seven books, appears regularly in magazines and newspapers and also on radio and television.

Janice educates people about workplace relationships, teaching skills to improve people challenges and rela-

tionship management, workplace confidence, attitudes and stress management. She provides flexible training options which facilitate people to boost their life/work success as they achieve their workplaces goals.

She weaves methodology from her books into her tailored keynote and workshops,

sharing proven personal techniques that guarantee success creation and fulfillment in life/work balance. She empowers people to fulfill- *'If it's to be, it's up to me'* philosophy.

Janice delivers programmes to boost personal performance providing a good return on investment for your

companies. In her Attitudes presentations she shares her two years research on Attitude in the Workplace as she changes the *'can't do'* into a *'can do'* attitude and then *'want to do'* attitude.

She regularly tours New Zealand with her 'hot topic' workshop *Dealing with Difficult People and Tricky Situations and Workplace Attitudes*.

Janice helps individuals align mind, body and soul to succeed. Janice has stood on the edge of life and teaches about personal empowerment and choices as people create their personal and professional successes.

*Enlightened Entrepreneur - Founder of the International Self Esteem Day - Embracing the Power of Dreams forward thinking concepts.*
